Dear Parents and Carers,

School website

From the parent questionnaire analysed last month it showed that there are a number of parents who are using the school website. We wish to remind all parents that our school website can be found at alexandraparkoldham.co.uk.

Parents are more than welcome to come into school and visit the school website through the use of our school computers or iPads if this is not accessible at home.

Mrs Seabright (Headteacher) shares the school website in whole school assemblies.

We have many sporting achievements that happen weekly in our school so please do visit our twitter page which can also be accessed through our website.

Greek Day

All year 5 children and staff thoroughly enjoyed their Greek Day on Thursday this week. The day began with an assembly and workshops followed where the children were engaged in drama and art activities. It was wonderful to see so many of our children dressed in their own Greek costumes and the teachers too.

SATs

We wish all our children in year 6 the very best of luck for next weeks SAT tests. Every single child has been working so very hard to achieve their very best. The teachers throughout the school have been amazing in supporting children in the lead up to next week. The children are as prepared as they can be and they will be amazing. Can we remind all parents that children in year 6 can arrive at school from 8am next week and enjoy free toast. This will also be a chance for them to relax and talk to their friends before the tests begin.
